- Spring Mix

The Arizona Department of Agriculture and the Arizona Leafy Green Marketing Committee would like to invite you to take part in an Informational Outreach Session. These sessions will give Arizona producers and shippers an opportunity to make comments and learn more about the Arizona Leafy Green Products Shipper Marketing Agreement (AZ LGMA) and the Commodity Specific Food Safety Guidelines for the Production and Harvest of Lettuce and Leafy Greens (Metrics) which guide this program.

Currently the AZ LGMA has 40 signatory shippers that represent 86% of the volume leafy greens grown in Arizona. These companies have committed themselves to sell products grown in compliance with the Metrics, food safety practices accepted by the AZ LGMA Marketing Committee. The Metrics were developed by university and industry scientists, food safety experts and farmers, shippers and processors. **DON'T MISS THE CHANCE TO GET INVOLVED AND MAKE A DIFFERENCE.**
